We have examined the statements of cash receipts and cash disbursements of the Seaford District Public Library for the fiscal year ended June 30, 1970. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of cash receipts and cash disbursements presents fairly the recorded cash transactions of the Seaford District Public Library for the fiscal year ended June 30, 1970, on a basis consistent with that of the preceding year.
